College Visit Checklist

Are you one of the hundreds of students who will be visiting colleges this year? Check-out our list of helpful tips for a successful campus experience.

Get ready!

- Get on track to graduate
- Get organized
- Use GCIS and start exploring schools
- Talk with family and friends
- Begin collecting school information
- Select 3-5 schools to visit
- Contact schools and schedule campus tours
- Make plans for your trips
- Take a camera and/or notebook and pen
- Take a list of questions

Walk the walk!

- Walk around on campus
- Take a school-sponsored tour
- Attend an academic class with other students
- Eat in the cafeteria
- Check-out the dorms
- Pick up a copy of the school newspaper
- Visit the Student Center
- Go to the Recreation Center
- Attend a *Question and Answer* session

Talk the talk! (Ask these questions)

- Where can I find the admissions application?
- Where can I find financial aid information?
- Is parking available for freshmen?

Where can I find housing information?

What kind of computer do I need?

Is part-time work available on campus?

Where can I find a list of clubs and activities?

What kind of security is provided by the school?

What job placement services are available for graduates?
