WHAT IS THE INDIVIDUAL TRAINING ACCOUNT (ITA) ELIGIBLE PROVIDER LIST (EPL)?

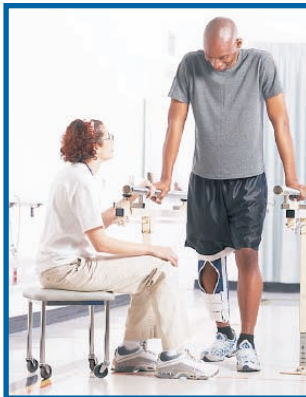

The EPL is a statewide listing of training providers who are approved for Workforce Investment Act (WIA) ITA funds. Accessible at www.gcic.edu/gawia, the EPL includes:

- Approximately 220 ITA training providers offering over 5,800 approved programs
- Instructions on how to use the site and information on WIA and ITA

HOW ARE ITAS USED WITH THE EPL?

ITAs are vouchers given to approved student customers who need occupational training to become gainfully employed or re-employed. ITAs are supported by:

- Assessment and career guidance
- Demand occupations and funding policies set by local Workforce Investment Boards

WHAT ARE THE FEATURES OF THE EPL?

The EPL contains valuable features to help student customers select providers and training programs. These include:

- Search features allowing customers to explore approved programs by name, provider, location, or keyword
- Vital provider data such as:
 - contact information
 - program description
 - training duration
 - entry requirements
 - program cost
 - historical placement and wage rates
- A confidential backpack to save and revisit individual career explorations
- Comparison features for side-by-side analysis of approved providers and programs
- Direct links to other resources including the Georgia Career Information Center, labor market data from the Georgia Department of Labor, local Workforce Investment Board web sites, and other tools and information

For additional information about WIA workforce training and the EPL, visit www.dol.state.ga.us/find_one_step_centers.htm to find the nearest service location. If Internet access is not available, contact your local workforce investment board listed on the back.
